Vern Wise and wife were guests of Earnie Bullis and family, of near

# SPICES

Fresh, unadulterated spices - that true natural products-clean and potent. That's the only kind that has true flavoring qualities. We ask you to give them a trial knowing full well that we will not have to invite you the second time to use them in preference to others. Besides, they cost no more than the ordinary "near" spices, in fact they are far cheaper in the end.
